

Department of Energy

§ 1015.207

(3) This section does not require an oral hearing with respect to debt collection systems in which a determination of indebtedness rarely involves issues of credibility or veracity and DOE has determined that review of the written record is ordinarily an adequate means to correct prior mistakes.

(4) In those cases when an oral hearing is not required by this section, DOE will accord the debtor a “paper hearing,” that is, a determination of the request for reconsideration based upon a review of the written record.

§ 1015.204 Reporting debts.

(a) DOE may disclose delinquent debts to consumer reporting agencies in accordance with 31 U.S.C. 3711(e), the DCIA, the revised Federal Claims Collection Standards (31 CFR parts 900–904) published November 22, 2000, and other applicable authorities. DOE will ensure that all of the rights and protections afforded to the debtor under 31 U.S.C. 3711(e) have been fulfilled. Additional guidance is contained in Treasury’s “Guide to the Federal Credit Bureau Program,” revised October 2001.

(b) As described in § 1015.201(e), under the DCIA (31 U.S.C. 3711(g)), DOE is required to transfer all debts over 180 days delinquent to Treasury for purposes of debt collection (*i.e.*, cross-servicing). As part of its regular debt collection procedures, Treasury will report debts it is collecting to the appropriate designated credit reporting agencies on behalf of DOE. A debt not transferred to Treasury for purposes of debt collection, however, may be subject to the DCIA requirement to report all non-tax delinquent consumer debts to credit reporting agencies.

§ 1015.205 Credit reports.

(a) In order to aid DOE in making appropriate determinations as to the collection and compromise of claims; the collection of interest, penalties, and administrative costs; and the likelihood of collecting the claim, DOE may institute a credit investigation of the debtor at any time following receipt of knowledge of the claim.

(b) As described in § 1015.201(e), under the DCIA (31 U.S.C. 3711(g)), DOE is required to transfer all debts over 180 days delinquent to Treasury for pur-

poses of debt collection (*i.e.*, cross-servicing). As part of its regular debt collection procedures, Treasury may also institute a credit investigation of the debtor on behalf of DOE.

§ 1015.206 Contracting with private collection contractors and with entities that locate and recover unclaimed assets.

(a) DOE may contract with private collection contractors in accordance with 31 U.S.C. 3718(d), the DCIA, the revised Federal Claims Collection Standards (31 CFR parts 900–904) published November 22, 2000, and other applicable authorities.

(b) As described in § 1015.201(e), under the DCIA, DOE is required to transfer all debts over 180 days delinquent to Treasury for purposes of debt collection (*i.e.*, cross-servicing) under 31 U.S.C. 3711(g). As part of its regular debt collection procedures, Treasury may refer delinquent debts to private collection contractors on behalf of DOE.

(c) DOE may enter into contracts for locating and recovering assets of the United States, such as unclaimed assets. DOE must establish procedures acceptable to Treasury before entering into contracts to recover assets of the United States held by a state government or a financial institution.

(d) DOE may enter into contracts for debtor asset and income search reports. In accordance with 31 U.S.C. 3718(d), such contracts may provide that the fee a contractor charges DOE for such services may be payable from the amounts recovered, unless otherwise prohibited by statute.

§ 1015.207 Suspension or revocation of eligibility for loans and loan guarantees, licenses, permits, or privileges.

(a) Unless waived by the Secretary of DOE or his designee, DOE may not extend financial assistance in the form of a loan, loan guarantee, or loan insurance to any person who DOE knows to be delinquent on a non-tax debt owed to a Federal agency. This prohibition does not apply to disaster loans. The authority to waive the application of this section may be delegated to the Chief Financial Officer and redelegated
